

PAPER SLEEVES

Palm Tree Packaging is a manufacturer and importer of all types of plant and flower sleeves serving the floral and potted plant industry for over twenty years. Sleeves are made out of a large variety of materials: Paper, plastic (HDPE, LDPE, CPP and BOPP), fiber, and a combination of fiber and plastic. Custom printing, specialty shapes and custom sizing are available upon request.

Paper – All paper sleeves are made out of high quality wet-strength Kraft paper. Paper sleeves are nested, but are available unnested or on a woodheader for special orders. One color custom printing and printed or unprinted rolls of paper also available.

BREATHERS AND HALF & HALF SLEEVES

Breathers – sleeves are made of a non-woven, breathable material. Breathers allow the plant to “breathe” when transporting them over long distances. Sleeves are packed 50 per woodheader. Also available Half & Half Sleeves – They are made out of half non-woven breathable material for better air flow and the other half is made out of a clear material in order to show off the plant. Call for information.
