

Who ? What ? Where ?

We are proud to present our ever expanding list of quality plant growers. Inside you'll find a compilation of annuals, perennials, blooming tropicals, pre-finished plant material, etc., demanded by today's consumers.

Please browse the following pages to review the principal plant groups which **Maryland Plants & Supplies, Inc.** provides to our discerning customers. In many cases, the growers are local, allowing us to offer delivery on our heated truck fleet.

Maryland Plants & Supplies, Inc. stays on the cutting edge by providing greenhouse growers with the latest cultivars from the finest propagators in the U.S. for crops ranging from Abutilon to Zygocactus.

MISSION STATEMENT

"To meet our customer's needs and exceed their expectations by making their life easier, giving them the competitive edge, lowering their risk, all at the lowest possible cost."

Call for further information. Order forms are available for your convenience.

TERMS AND CONDITIONS OF SALE

BUSINESS HOURS: The office is open from 8:00 AM to 5 PM Monday thru Friday. The Plant Department hours are 8:30 AM to 5:00 PM.

TERMS: Discover, Master Card, Visa, American Express or Net 30 Days for approved credit accounts. Customers in good credit standing may charge their orders. Other customers must pre-pay for their order at time of booking, by cash, check or credit card. A finance charge of 2% per month is added to invoices over 30 days from ship date. This equates to 24% annually. A minimum charge of \$1.00 per assessment is added on overdue accounts. Returned check charge is \$25.00. All custom orders and special orders are payable in advance.

PRICES: All prices quoted are F.O.B. Grower, unless otherwise indicated. Prices are for plant(s) only and do not include Royalty Charges, Patent Fees, Boxing Charges, etc. Prices are subject to change without notice. Prices at time of shipment will prevail. Typographical or clerical errors in quotation, orders or invoices are subject to correction.

SALES TAX: Appropriate state tax will be charged on all items unless we have your completed sales tax exempt form. In compliance with the law, we must charge sales tax on all items which the state designates as taxable even though you have provided us with a completed sales tax form.

LIABILITY: All recommendations by Maryland Plants & Supplies, Inc. and its employee's are compiled from recognized Horticultural sources. Because conditions of use which are of critical importance are beyond our control, we make no warranty or representation, expressed or implied, except that all products conform to the description of the label. We are not responsible for damage or failure because of any recommendations given by Maryland Plants & Supplies, Inc. personnel or authorized sales representatives. Our liability as the seller shall be limited to the stated selling price of any defective goods, which in no event shall include buyer's cost, lost profits, good will, or any other special consequential damages. Maryland Plants & Supplies, Inc. warrants, to the extent of the purchase price, that the plant material is as described on the container or invoice, within recognized tolerances. We give no further warranty, expressed or implied, and all other or further warranties, including any warranties of merchantability or fitness for a particular purpose, are excluded. Maryland Plants & Supplies, Inc. shall not be responsible for loss of any product, profit or any other indirect special or consequential damages. Maryland Plants & Supplies, Inc. shall not be obligated to supply the customer with product to the extent that any event or condition reasonably beyond the control of the Company affects, prevents, restricts or delays the production, transportation, delivery or sale of product; including without limiting the generality of the following: storm, flood, earthquake, or other acts of God: impassable roads, accident, fire or explosion; hostilities of war or civil unrest, strikes, lockouts, or other labor disturbances; or loss, curtailment or shortage of equipment, labor or materials. Maryland Plants & Supplies, Inc. is not responsible for printing errors.

WARRANTY: Maryland Plants & Supplies, Inc. warrants that plant material is sold true and as described within recognized trade tolerances. Maryland Plants & Supplies, Inc. gives no other warranty, expressed or implied, and will in no way be responsible for more than the invoice value at the time of purchase.

SHIPPING METHODS

SHIPMENTS BY MARYLAND PLANTS & SUPPLIES, INC. OR GROWER TRUCK

Selected growers' plant material can be shipped by grower truck or Maryland Plants & Supplies, Inc. truck for a nominal fee. This fee is usually a competitive fee when compared to UPS, Airfreight, or Federal Express, and normally is the most cost effective means of transportation. Unlike UPS, Federal Express and Airfreight, the plant materials are guaranteed to arrive in good shape or you can leave it on the truck. Plant material refused due to damage or poor quality will be deducted at the time of invoicing. Any damage claim or refusal must be reported immediately to our plant material department, then noted on the delivery ticket and signed by driver at time of delivery. For further information on the mode of transportation call our Plant Department. If concerns arise after delivery is made, contact our office within 24 hours of delivery so that your problems may be addressed.

SHIPMENTS BY UPS, FEDERAL EXPRESS AND AIRFREIGHT

No plant material freight carriers (UPS, Federal Express or Airfreight) issue credit for cold/heat damage.

Growers who ship from cold areas of the country usually provide a winter protection packing to protect plant material. Call our office for further details.

UPS will not issue credit for mishandling plant material unless there is visible damage to the box which results in damage to the plant material. UPS is not often recommended by growers for shipment. Federal Express and Airfreight have a responsibility to handle boxes properly as designated on the outside of the box. ALL Federal Express and Airfreight shipments MUST be opened PRIOR to signing the bill of lading to inspect shipment BEFORE accepting. Any damages due to mishandling or delays in shipment MUST be noted in the presence of delivery representative on the bill of lading. Once damages have been noted, the delivery representative MUST sign the bill of lading and a claim can be filed by the CONSIGNEE (receiver of plants) for damages. ALL UPS, FEDERAL EXPRESS AND AIRFREIGHT SHIPMENTS ARE AT THE CUSTOMER'S RISK!

Maryland Plants & Supplies, Inc. is not able to process credit requests for plant material damaged in transit directly from the grower. The request for credit must be filed by the consignee (receiver of plants) directly with the carrier. The consignee is the only party who can file a claim with the carrier. The carrier will not allow Maryland Plants or the supplier to file the claim for them.

THE COMPLETE PLANT SOURCE

Maryland Plants & Supplies, Inc. was founded as a plant broker in 1978. Over the years we have changed and expanded our line to include the annual, perennial and blooming tropical liners, prefinished and limited finished plant material demanded by today's consumer. Our staff is constantly on the lookout for plants that can be finished and wholesaled or retailed easily. Maryland Plants & Supplies, Inc. also stays on the cutting edge by providing greenhouse growers with the latest cultivars from the finest propagators in the U.S. for crops ranging from Allamanda to Zygocactus.

On the following pages you will find a list of the principal plant groups which Maryland Plants & Supplies, Inc. can provide. After that list, you will find a brief biography from the growers we are proud to represent. In many cases, the growers are local, allowing us to offer delivery on Maryland Plants & Supplies, Inc. heated trucks.

For more information, detailed plants lists and order forms, contact our Plant Department at 800-248-2818. To place orders, completed order forms may be faxed or mailed. Please use one order form per ship date. You may reproduce the order forms or, if you need extra forms, please contact our plant department. Customers are always welcome to phone in their orders. If questions arise as you develop your order, please call our Plant Department. Many times we can immediately inform you if a particular variety is not available and either recommend varieties serving as substitutes or locate another grower to satisfy your needs. After you have placed your order we mail or fax an acknowledgment. This includes important information regarding the ship date, method of shipment, quantities and varieties. Review this acknowledgment when you receive it to ensure that we have entered your order as requested.

If you have a special request or don't see what you're looking for - please call - we'll be more than happy to try to locate a grower. For more information and detailed plant lists call our Plant Department at 1-800-248-2818 or ask your sales representative.

MEET OUR GROWERS

Aaron's Creek Farms, Inc. is a 320,000 square foot Bedding Plant and Plug Range. It sits on 100 acres of land located in south central Virginia. Established in 1965 by George W. Gordon, III in an effort to utilize his farm labor year round. In 1979 Aaron's Creek Farms went from open-seed flat production to plug flats for in-house use. Through the years we have kept abreast of the latest and most effective methods of plug production, incorporating these methods whenever possible to ensure a top quality product. Visit us at www.acfplugs.com.

Agri-Starts began producing and selling tissue culture liners to the wholesale nursery industry in 1984. The Agri-Starts group of companies is committed to the continuing success of the nursery industry and we offer contract and proprietary growing of crops to satisfy growers' special needs and requirements. Visit us at www.agristarts.com, www.agristarts2.com, www.agristarts3.com, and www.agristarts4.com.

Chief Mountain Farms is a family-owned business, located in Cecil County, Maryland. Liner production began in 1996 and we are still expanding. We produce starter plugs and quick-finish products for Ornamental Grasses, Sedges, Perennials, Flowering Shrubs, Vines and Ground Covers, and we offer Native Grasses, Perennials, Sedges and Wetland Plants along with offering unrooted cuttings.

Creek Hill Nursery is a small propagation facility specializing in perennials, ornamental grasses and flowering shrub starter plants. Our goal is to provide the best quality of new and unusual hardy plant material along with selected standards of the Perennial industry. Creek Hill is proud to be a member of both the Perennial Plant Association and the International Plant Propagators Society.

Duwayne's Greenhouses, Inc (DGI) was established in 1974 by Duwyane Dykehouse, Jr. The facility covers 3.5 acres of greenhouse specializing in the propagation of: Geraniums (Fischer, Oglevee, and Guillou), Paul Ecke Ranch Flower Fields, New Guinea Impatiens (Fischer, Ecke, and Oglevee), Poinsettias (Fischer, Ecke, Oglevee, and Dummen). Consistent production of quality plants creates the business growth that DGI has annually experienced. We currently propagate over four million plants yearly.

Emerald Coast Growers is headquartered in Pensacola, Florida, and operates nurseries in Pace, FL; Milton, FL, Pensacola, FL and Lancaster, PA. These wholesale nurseries encompass over 100 acres and 400,000 square feet of heated greenhouse space. Today, Emerald Coast Growers produces a wide variety of perennial starter plants, yet still maintains the distinction of being one of the industry's largest suppliers of ornamental grass liners to North American grower and retailers. Visit us at www.ecgrowers.com.

Esbenshade's Greenhouses, Inc., now a second generation family business, has been operating for over 30 years as a grower of fine, quality plants. We started out producing plugs and rooted cuttings for our own finished crops and have grown to become a major supplier of rooted cuttings of zonal and ivy geraniums, poinsettias and fall garden mums. Visit us at www.esbenshades.com.

Our Green Leaf Perennials brand includes perennials, herbs, roses and shrubs. We're also your source for Blooms of Bressingham, The Flower Fields, and unique perennials like Vintage Hibiscus. Choose our easy-to-use cell packs, cost-cutting unrooted cuttings or custom-grown 128 trays. Other Yoder product lines encompass Poinsettias, Annuals, Gloxinia, Lisianthus, pentas and Exacum. With locations in Pennsylvania, South Carolina, Florida, Canada and South America, and contract rooting stations in California, Yoder has room to grow for you. Visit www.yoder.com for more on our plants and programs.

Five Acre Farm is a wholesale and retail garden center operation located in Northfield, Massachusetts. We are offering a lot of new products in 2008/2009. We have an expanded herb section with both Cutting and Plugs available. We are also offering a new cut flower section in our 128 Plug program.

Gulley Greenhouse currently has 120,000 sq. ft. of cold frames, 60,000 sq. ft. of heated greenhouses, and another 17,500 sq. ft. under construction for plug production. The greenhouses currently produce over 1,000 perennial, 200 herb and 650 annual varieties. We produce 200,000 1-gallon size perennials, 15,000 3-gallon size roses, 800,000 2.5" perennials and herbs, 3 million plugs and 10,000 poinsettias at Christmas. At Gulley Greenhouse, we have a commitment to our customers and our community. Our goal is to provide the very best quality and the best service in the business. Visit us at www.gulleygreenhouse.com

Call for further information. Order forms are available for your convenience.

MEET OUR GROWERS

Hatchett Creek Farms, LLC delivered its first propagation material in January 1988. For the year just concluded, our business level has reached over 4,000,000 rooted cuttings and is still growing. We specialize in flowering liner material and grow over 300 varieties, consisting mainly of Spring plants and splash perennial items. We produce some of the finest vegetative cuttings of specialty tropical color and unusual new plants. Visit us at www.hatchettcreek.com.

Hillcrest Nursery, Inc. specializes in herb production. We offer a line of cell pack herbs for growing on and potted herbs for immediate resale. All production takes place in a recently constructed glass range. This structure is screened against insects and has computer assisted environmental controls. Our plant list includes over 200 varieties of herbs, with new ones being evaluated and added regularly. Visit us at www.herbcell.com.

For over 15 years, Hilltop Greenhouse and Farm has been growing our own plants for you to enjoy. Flowering plants, foliage, vines, and vegetables are just a few of our crops. Choose from a wide variety of bedding plants, annuals, perennials, vegetables, and geraniums.

Jolly Farmer is located in the beautiful Saint John River Valley of New Brunswick, Canada. We grow plugs, cuttings, pre-finished, and finished product year round. With 9.5 acres under plastic and 5.8 acres of outside growing area, wholesale markets are serviced nationwide across the U.S. and Canada. Visit us at www.jollyfarmer.com.

Meherrin River Farms, Inc. was incorporated into Greensville County, Virginia in December 2003. We grew out of Chesapeake Aquatic Nursery in Baltimore, Maryland. This move has allowed us to expand our line of aquatic plants to include water lilies and finished aquatic marginals in addition to our plug size liners. We will also be able to add perennials, grasses and contract growing to our operations. Visit us at www.meherrinriverfarms.com.

Milestone Agriculture, Inc. is a family owned company (since 1988) that specializes in producing young plants for the Ornamental Horticulture Industry. Milestone is a producer of fern liners, and has become one of the largest fern producers in the world. After introducing a line of innovative Spathiphyllum varieties, Milestone established itself as a major supplier of foliage liners. Milestone has added a color line of annuals & perennials from quality growers such as Cohen, Danziger and Selecta (First Class). The latest additions to Milestones product mix are unique, high end items such as Cordyline australis, Medinilla magnifica and Stromanthe 'Tricolor'.

North Carolina Farms, Inc. specializes in American grown starter plants, clean stock program, royalty free. We offer 105 plug trays, 50 plug trays and 50 Jumbo plug trays. We are offering twelve combo trays for small growers who like to grow combination planters without buying a whole tray of one variety. Assortment trays are also offered for assorted annuals, herbs and foliage varieties.

Pleasant View Gardens, located in Loudon, New Hampshire is proud to offer the best quality and selection of liner material around. With over 330,000 square feet of greenhouses, we have increased our production to meet your growing needs. We are excited to be a Proven Winner partner, offering the newest, healthiest and most vigorous plant material available in the country. Our Fall Magic and Cut & Grow liners are backed by eye catching Point of Purchase material encouraging increased sales for both the grower and the retailer. We appreciate your business, and strive to continually improve how we do things. Your feedback is critical to our success, so please let us know how we are doing. Visit us at www.pvg.com.

Possum Run Greenhouse, located in Bellville, Ohio, propagates for several of the world's leading breeding/marketing companies, as well as provides growers throughout the country with their own incredible and unique fuchsia selection. With nearly 300 varieties of fuchsia in-house, and 175 offered in both unrooted and rooted production they offer a unique expertise and offering for garden centers and wholesale growers alike.

Our focus remains providing the best in breeding, coupled with the highest quality rooted liner from spring young plants to poinsettia.

Roseville Farms is North America's largest producer of Clematis liners with a selection of the world's best 'retail friendly' varieties. Our new growing facility covers over 35 acres just north of Orlando, Florida. We are your #1 source for liners, and 'retail ready' Clematis plants. With 750,000 square feet of benched growing space and production of almost 8,000,000 Clematis per year. Visit us at www.clematis.com.

Call for further information. Order forms are available for your convenience.

MEET OUR GROWERS

Shady Oaks Nursery, LLC specializes in the propagation of many new and hard to find perennial plants with an emphasis on Hosta. Established in 1982, Shady Oaks Nursery has become a reliable liner supplier to the horticulture industry across the USA, Canada and Europe. Propagation is performed in our own tissue culture lab to ensure quality plants. The perennials are well rooted in 1020 trays of 72 and the Hosta are in trays of 96 with the ability to split trays. Visit us at www.shadyoaks.com.

Swift Greenhouses, Inc. is a leading supplier of perennial & herb liners & seedling plugs. Our goal at Swift Greenhouses, Inc. is to produce the highest quality, most consistent plugs and potted plants on the market for you, our customer, while fulfilling booked orders with the highest degree of accuracy and completeness. Visit us at www.swiftgreenhouses.com.

Sun-Fire Nurseries is located on 23 beautiful acres in Sarasota, Florida. We specialize in Bougainvillea Liners and Sun Parasol Mandevilla Liners offered in 72 cell trays. Our nursery utilizes the state-of-the-art Argus Controls System and the Elle-pot Soil System in order to produce the very best starter plants possible. Mr. Doug Brenner is our friendly and skilled Grower and has been in this industry for over 20 years! Sun-Fire Nurseries and Suntory are set to unveil the newest member of the Sun Parasol Family - Giant Crimson in January 2006 at the Tropical Plant Industry Exhibition (TPIE) in Ft. Lauderdale, Florida!

Tideland Gardens offers quality bare root perennials, ornamental grasses, and deciduous shrubs suitable for containers or direct landscape applications. Located in Kent County, Maryland, on the Eastern Shore of the Chesapeake Bay. The nursery is approximately three miles east-north-east of Chestertown, which is the county seat. Visit us at www.tidelandgardens.com.

Whitton Greenhouses grow their Christmas Cactus in sterilized media on raised benches. Christmas Cactus are among the most widely grown of all cacti. They are prestigious bloomers, often bearing hundreds of flowers, even small plants blooming freely. Their showers of splendid fuchsia-like blossoms appear in the dead of winter at the very time we are most grateful for them. For a century, Christmas Cactus have been favorite house plants because they take so kindly to ordinary care. Visit us at www.whittongreenhouses.com.

CONTINUING GUARANTY

TO: Maryland Plants & Supplies, Inc.
9103-G Yellow Brick Road
Baltimore, Maryland 21237

Date: _____

For a valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and to induce you to honor from time to time at your sole option the purchase orders of (Name of Guarantor(s) and address) _____

of (Company Name) _____ (herein called "Purchaser"), without requiring payment upon delivery, each of the undersigned Guarantors as a primary obligor, jointly and severally, unconditionally guarantees to you, your successors and assigns, that Purchaser fully, promptly and faithfully will perform, pay and discharge all of Purchaser's obligations owing to you, according to the terms of such obligations, and agrees without your first having to proceed against Purchaser or any other person, firm or corporation, to pay on demand all sums due or to become due to you from Purchaser under any agreement between Purchaser and yourself, and all losses, costs, attorney's fees or expenses which you may suffer by reason of Purchaser's default or failure to pay.

This Continuing Guaranty may be terminated only by notice sent to you by certified mail, stating an effective date after the receipt of such notice by you; but shall continue thereafter as to each of us who has not given such notice, and shall continue as to each of us giving such notice with respect to any obligation of Purchaser to you as of the date such notice is received by you. No termination hereof shall be effected by the death of any or all of us. Each of us waives notice of acceptance thereof and of presentment, demand, protest and notice of nonpayment or protest as to any note or obligation signed, accepted, endorsed or assigned to you by said Purchaser, and we waive all setoffs and counterclaims whatsoever.

You may, without notice to us, renew, extend, or transfer such obligation of Purchaser; accept partial payments thereon; or settle, release on terms satisfactory to you or by operation of law or otherwise, compound, compromise, collect, or otherwise liquidate such obligation or security therefore in any manner; or consent to the transfer of such security without affecting or impairing such obligation of any of us hereunder.

Each and every obligor hereby authorizes any attorney of any court within the United States or elsewhere to confess judgment against obligors, either jointly or severally, to be entered by the proper official, at any time after the obligation(s) guaranteed by this instrument is (are) in default and demand hereunder has been made (whether upon normal maturity or acceleration hereunder), hereby waiving all exemptions, for the amount then due, as confirmed by an affidavit or Maryland Plants & Supplies, Inc., plus accrued late charges and actual collection/attorney's fees and court costs. Provided, however, that if the Guaranty is referred to an attorney for collection, and payment is obtained without the entry of a judgment, then obligors shall pay to Maryland Plants & Supplies, Inc. the actual attorney's fees in the amount aforesaid.

Each and every obligor/guarantor agrees that, at the option of Maryland Plants & Supplies, Inc., the venue of any suit may be laid in the state courts of Baltimore County, Maryland and hereby agree and consent to the jurisdiction of the court.

No payment by a Guarantor hereunder shall entitle that Guarantor, by subrogation or otherwise, to any payment by Purchaser under or out of the property of Purchaser, except after payment in full to you of such obligation contingently, absolutely or otherwise payable by Purchaser to you.

This instrument shall bind our respective heirs, administrators, personal representatives, successors and assigns, and shall inure to your successors and assigns. All of your rights are cumulative and not alternative. Witness our hand(s) and seal(s) the day and year first above written.
